

Now available in Ashland, Bayfield, and Washburn

Dear CHAMBER MEMBERS

I'm excited to introduce myself to you! As your local Charter Business® Account Executive, I can help you customize your business communications. And in just 15 minutes, I'll show you how you can save on business-class Internet, Phone and TV service. If I can't save you money every month on your business communication services, I'll give you a \$100 Visa Gift card.##

Get more done with Charter Business® Internet

- Scalable speeds up to 100Mbps—much faster than DSL†
- Desktop Security software to help protect your business from viruses and online threats††
- Website and email addresses customized to your business†††

Communicate reliably with Charter Business® Phone

- Digital business phone with crystal-clear sound
- Unlimited local and long distance calling‡ and essential business calling features
- Keep your phone number and equipment

Stay Informed with Charter Business® TV

- Top news, sports and entertainment channels
- Commercial-free digital music^—perfect for lobbies or waiting areas
- No unreliable antenna or satellite dish

Put Charter Business to work for your business and save

Let me show you how you can save on reliable services that help you work faster and smarter every day. If I can't save you money every month on your business communication services, I'll give you a \$100 Visa Gift Card.## Contact me today to set up a no-obligation meeting—I'll bring money-saving communications ideas that are perfect for your business!

Sincerely,

Give me 15 minutes—I'll show you how to save on business communications

5 Reasons Why Your Business Needs Charter Business

- 1 Charter Business works within your budget**
We provide reliable service and flexible solutions that fit your unique needs and budget. Plus, if I can't save you money, I'll give you a \$100 Visa Gift Card.†††
- 2 Maximize your productivity**
Get more done in less time with download speeds up to 100Mbps—that's much faster than phone company DSL*. With more speed, you'll have the bandwidth to support more users and larger files than the Internet service from the phone company.
- 3 Enjoy customized solutions designed for your business**
With a range of scalable services and features, you'll get the Internet, Phone and TV that meets your business demands and budget.
- 4 Get reliability that only we can deliver**
All of our services come to you through our state-of-the-art, fiber-rich coax network to provide a seamless communication and information solution for your business.
- 5 We're here to help with 24/7/365 local support**
Our dedicated, business customer support team is based in the U.S. and works around the clock to ensure your services are always running smoothly.

**Give me 15 minutes—
I'll show you how to save on business communications**
