Making Holiday Blizzard Boxes

Thrivent Community - Superior Shores and Ashland County Aging Unit & Enrichment Center will be hosting a Holiday Blizzard Boxes event and we would love to have you join us.

Help us provide homebound seniors with meals and holiday cheer for winter weather emergencies—"Blizzard Boxes." When winter weather closes our roads, many seniors are left without access to their routinely delivered meals. Our goal is to provide each recipient with shelf-stable meals meeting USDA nutritional guidelines with a touch of holiday cheer to fill their bellies and hearts in times of need. **We invite you to help in one of two ways:**

- 1. Gather donations to complete a set number of boxes (contact Ashland County Aging Unit for specific items)**
- 2. Help pack the boxes on December 11**

Dinner will be provided that evening after the boxes are packed. A Holiday Lights Tour will be offered to those interested via BART after dinner.
