Path to Generosity

Please join us at this Path to Generosity event, hosted by Thrivent Community - Superior Shores.

We are hosting a variety of service projects to benefit four local organizations:

Help us pack client kits for New Day Advocacy Center, stuff busy bags for Family Forum Head Start, assemble cat scratchers and fleece dog beds for Helping Paws Pet Rescue, and make dog treats and cat towers for Chequamegon Humane Association.

Enjoy lunch provided by the Ashland Baking Company & meet Officer Chase from Ashland Police Department's K9 Unit.

Please bring an item from one of the organizations' wish lists as admission to the event.

All children present will receive a free book for attending!
