

## **Young Professionals Meet and Greet**

### **Young Professionals**

**Ages 40 and under Wanted!!!**

**Wednesday, March 9, at 5-7pm**

**at the Spot Bar, 116 14th Avenue East**

The “Old Professionals” realize there are many “Young Professionals in our area. We want to invite you to an introduction of Young Professionals at a casual meet and greet on Wednesday, March 9th, at The Spot Bar from 5pm-7pm. Pizza from the Pizza Pub will be served and there will be a cash bar.

The Old Professionals will host the meet and greet and ask for volunteers to help coordinate your new Young Professionals Group. Ivy Berg, Ashland Middle School, and Matt Hatfield, Edward Jones Investments, have both agreed to assist with the coordination of the group. The age group is 40 and under.

We are excited to kick this off and equally excited to let you Young Professionals network and build relationships that can last a lifetime. We know it is sometimes difficult to connect people in small towns and yet so important to create friendships between our peers.

Please join us at The Spot Bar on Wednesday, March 9th, at 5:00pm for a time of fun, networking, pizza, and a beverage.
